

# Honoring Christ's Evangelists and Apostles

Among the greatest saints of our tradition are the four evangelists who bore witness to Christ through their written Gospels. These four are depicted in art with the images of the four winged beasts.

With St. Matthew, St. Mark, St. Luke and St. John, stand St. Peter and St. Paul who are also authors of the New Testament and the Princes of the Apostles.

Throughout the year we will be chanting the Liturgy of the Hours according to the ancient Gregorian tones to commemorate their respective feast days.
